

"stark" the level of readiness of Army units in the United States which would be called on if another war breaks out. The readiness continues to decline of our next-to-deploy forces, Cody told the House Armed Services Committee Readiness Panel last week.

Mr. President, hear your generals and end this war now.

IN SUPPORT OF VICTORY

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, as we stand here today, the Iraqi people enjoy a freedom and sense of self-government they were not afforded 4 years ago. Since the United States originally liberated the Iraqis, they have established a democracy, ratified a constitution, and elected a representative government. Such rights were denied under the totalitarian regime of Saddam Hussein.

General David Petraeus, the new commander of coalition forces in Iraq, is an expert in fighting insurgencies by murderers who defy laws of war. Our military officials have made necessary adjustments, and we are seeing signs of progress. Cutting funding, limiting reinforcements and setting artificial timetables only serve to undermine this end. Together, as Democrats and Republicans, we must achieve victory in Iraq to achieve victory in the global war on terrorism to protect American families. We must face the terrorists overseas, or we will face them again in the streets of America.

In conclusion, God bless our troops, and we will never forget September 11.

RECOGNIZING IMPORTANCE OF HOT SPRINGS NATIONAL PARK ON ITS 175TH ANNIVERSARY

Mr. GRIJALVA. Madam Speaker, I move to suspend the rules and agree to the resolution (H. Res. 138) recognizing the importance of Hot Springs National Park on its 175th anniversary.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

H. RES. 138

Whereas the concept in the United States of setting aside a nationally significant

place for the future enjoyment of its citizens was first implemented 175 years ago in Hot Springs, Arkansas, with the creation of the Hot Springs Reservation, which protected 47 area hot springs;

Whereas the Act that created the Hot Springs Reservation, entitled "An Act authorizing the governor of the territory of Arkansas to lease the salt springs, in said territory, and for other purposes", approved April 20, 1832 (4 Stat. 505), required that "the hot springs in said territory, together with four sections of land, including said springs, as near the centre thereof as may be, shall be reserved for the future disposal of the United States, and shall not be entered, located, or appropriated, for any other purpose whatever";

Whereas the Hot Springs Reservation was the first protected area in the Nation;

Whereas the Act creating the Hot Springs Reservation preceded both the establishment of the Department of the Interior in 1849 and the establishment of Yellowstone National Park as the first national park in 1872;

Whereas the Hot Springs Reservation was renamed Hot Springs National Park in 1921 and became America's 18th national park; and

Whereas the tradition of preservation and conservation that developed into the National Park System, which now includes 390 units, began with the Act that created the Hot Springs Reservation: Now, therefore, be it

Resolved, That on this 175th anniversary of the Act of Congress that created the Hot Springs Reservation, the House of Representatives recognizes the important contribution of the Hot Springs Reservation and Hot Springs National Park to the history of conservation in the United States.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arizona (Mr. GRIJALVA) and the gentleman from Utah (Mr. BISHOP) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona.

GENERAL LEAVE

Mr. GRIJALVA. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. GRIJALVA. House Resolution 138, introduced by my colleague, the gentleman from Arkansas, Representative MIKE ROSS, would express a recognition by the House of Representatives of the importance of the Hot Springs National Park on its 175th anniversary.

Most people know that Yellowstone is our first national park, but more than 40 years before Yellowstone was established as a park, Congress set aside 2,529 acres in the Ouachita Mountains of Arkansas to preserve 47 hot springs located there.

The law was enacted at the request of the General Assembly of the Territory of Arkansas and signed by President Andrew Jackson on April 20, 1832. That made the Hot Springs Reservation the first nationally protected parkland.

The reservation was turned over to the Department of the Interior when
